Agenda II: Review on NAAC 'B' grade with 2.43 CGPA in the 3rd cycle.

Resolution II: The probable reasons for the NAAC 'B' grade conferred to the institution was analyzed based the detailed result sheet provided by the NAAC.

It was found that the college has got good marks to the main criterions with the themes 'Teaching Learning and Evaluation', 'Students Support and Progression' and 'Infrastructure and Learning Resources'. Resolution III: Following the declined NAAC grade in the 3rd cycle, several improvement measures were discussed and were finalized as follows:

1. To further strengthen the important functionaries like: IQAC, Mentor System and Bhoomika etc.
2. To organize programs related to the Curricular Aspects like "Chem-Forum"(A University level Teachers Academic Organization) etc.
3. To request the concerned authority regarding the appointment of the vacant faculty positions (Which was the major setback faced during the NAAC accreditation).
4. To promote the research culture among the teachers and the advanced learners of the college.
5. To organize various useful and meaningful Extension Activities through departments / functionaries / units like: Chemistry (Analytical Laboratory), BTFS (Banana Tissue Culture), Science-Forum (Education Expansion Experiment), NCC, NSS, Red Cross, Scouts & Guides etc.

6. Habitualization of Documentation through comprehensive 'Program Books'.

Agenda V: Maintaining the Cleanliness of the campus.

Resolution V: The Cleanliness of the campus needs to be ever maintained, as it is the first and foremost quality indicator. Hence, directed the functionaries like NCC, NSS and Scouts & Guides along with the supporting staff, to organize the frequent cleaning events and a proper monitoring system to ensure the cleanliness.

Finally, the IQAC Coordinator: Shri Ganesh S. Hegde delivered the vote of thanks.
