IQAC MEETING

Dear Colleagues,

In view of the **DVV clarification**-related work, the IQAC Coordinator would like to address the staff. Accordingly, a meeting is arranged **on 20th November 2023 at 4 pm in Principal Cabin**. The AQAR Promoter, Assistant Coordinator, Conveners, and members of the different criteria are informed to attend the meeting. Indeed, your presence, positive interaction and involvement will speed up the DVV work. No second thought about this. So, you are requested to show your presence in the meeting. We have completed the first two stages of NAAC work, one is the IQA and the other is the SSR submission. Now, we are in the third stage of the NAAC-related work. It is the time bond stage and has to be completed on or before the target date. Our top priority is to get the work done within the stipulated time.

In anticipation of your presence.

With regards,

Sd/-
Dr. T.S. Halemane
Principal

From the office of the IQAC
