Minutes of the IQAC Meeting

A meeting of the IQAC and the staff Council was arranged on 14-07-2017 to put on record the progress report for the year 2016-17 and to discuss the plan of action for the academic year 2017-18.

1. The members reviewed the activities and reports of the academic year 2016-17 and expressed satisfaction for the overall good performance in the academic, extra-curricular, administrative and service related activities.

Plan of action for the year 2017-18

1. In view of the completion of the new Sports Complex's it was decided to add standard sports material for the optimum use by the students. A qualitative and quantitative increase in such materials required, since the new complex could house the same conveniently.
2. To connect the Institution Central Generator System to the Ladies hostel location at the cost of approximately Rs 50,000/-.
3. To consider the establishment of Analytical Laboratory under Chemistry Department for various parameters of testing water, soil, sewage, etc, at the investment of around 16 lakhs.
4. To Strengthen Extension activities as the part of institutional social responsibility. Each department expected to be part of the reach out programme.
5. To apply for re-accreditation (3rd cycle) under new methodology(Online Process)

Execution: The follow-up and the realisation of the action plan to be taken in the joint efforts of the IQAC, the Standing Committee of the Institution and the Various Functionary Committee of the Institution.
